

Why our Customers choose Wyse Leasing?

Why choose Wyse Leasing?

Wyse Leasing have been established since 1989 and are one of the largest independent finance and leasing companies operating throughout the UK.

Can I see a local representative face to face?

Yes, Wyse Leasing have numerous offices nationwide and we are always be prepared to visit our customers to discuss their needs and requirements.

Why might your product be better than someone else's?

Wyse Leasing are an independent finance company who have links to over 20 finance houses. We will use our expertise to gain the best underwriting deal for each individual customer.

What extra confidence can I be given to trade with you?

So far over 20,000 agreements have been arranged for in excess of 12,000 customers.

What products might I be able to lease/rent using your finance arrangements?

Established business or organisation in the UK. We can arrange the lease for any assets that have a minimum value of £1,000 + VAT.

Can the agreement be over a term other than 12 – 36 months?

Wyse Leasing can arrange terms to suit your business; generally between 3 to 5 years but it is possible to arrange a term from anything between 12 to 84 months in monthly increments.

Will the contract contain any hidden clauses?

Wyse Leasing only transact business using clear easy to read contracts regulated by the Finance and Leasing Association (FLA) and approved by the Office of Fair Trading (OFT).

How much are my regular payments likely to increase each year?

Wyse Leasing will guarantee that as long as you do not vary the agreement terms or the equipment, your payments will be agreed at the start and remain the same throughout the lease term. Subject to no changes in Government tax legislation.

Subject to status and satisfactory credit clearance
